OUR VISION

To be the best in World class Institution providing excellence in engineering education, research and application of Knowledge to benefit society.

MISSION

To produce the highest standards of Excellence in teaching, research and innovative technology for the benefit of the society locally and globally.

To involve students and faculty in collaborative research projects which offer opportunities for long term interaction with academic, research, institutions and industry in India and Abroad.

To use modern pedagogy for improving the teaching learning process.

To develop the responsible and productive citizen.

I AM DELIGHTED THAT YOU'RE
CONSIDERING COMING TO
NS RAJU INSTITUTE OF TECHNOLOGY

Scientists Dream about doing
GREAT THINGS. Engineers do them

Vice Chancellor JNTU Kakinada visited to college campus and Inaugurated DT and INC lab today morning, HOD CSE, Principal, Chairman sir present for it. Vice Chancellor interacted with staff members & students.

Awariness camp on
Cashless transac-
tions has organized
at Sontyam Village
by NSRIT-NESS Unit

WELCOME THE FUTURE OF LEARNING

I feel great pleasure in handing the issue of our College Magazine. Over the years the college has achieved continuing success in serving the cause of education in this area. The college presents a happy blend of traditional and modern education where knowledge is imparted to the students so that they may occupy a better place in the modern competitive world and develop all round personalities retaining the beauty of mind and intellect as well as of soul. It has made its mark in academic, sports and cultural fields. I can feel proud of its Alumni who are holding responsible position in social, political and economic life of the nation. All this has been possible with the dedicated and strenuous efforts of the able managing committee and hard work and experienced faculty and also with the whole-hearted co-operation of the people of the area to whom. I am highly grateful. I assure that college will play a meaningful role in the competitive times ahead and scale new heights, translating the dreams of the people of the area into reality and bring education in this rural area

Dr.B.V.R.Ravi Kumar
Principal, NSRIT

TECH FEST POSTER Release of TECH NIMBLE-2K16 was done

ANNUAL DAY CELEBRATIONS (SAMANYA-2017)

College events

SANKRANTHI SAMBRALU @ NSRIT 09.01.2017

Nadimpalli Satyanarayana Raju Institute of Technology (NSRIT) has organized Sankranti samskruthi celebrations in the college campus on 09-1-2017 as usually it being a cultural fest. The Principal, faculty, staff and student fraternity observed the event with great fervor and festivity. The whole campus was decorated in traditional flavor with Rangoli, flowers and fruits.

The guests who graced the celebration were Respected chief Guest, Dr. D. Lalitha Bhaskari, Professor & Head of the department of CSE, Andhra University College of Engineering (Women), Our beloved principal, Dr. B.V.R Ravi Kumar. The Convener, Assistant Principal and HOD of BS&H Shri .B. Srinivasa Rao, and Co convener Mr. K.S.Ramanjaneyulu, HoD - Dept. of EEE, along with the HoD's and faculty of various departments.
