Date: 25-02-2019

Department of Training & Placement

CIRCULAR

We are happy to inform you that **JRA (Jegan Research Associates)** will visit our campus to recruit students on 26-02-2019(Tuesday). All the HODs are here by requested to inform it to your eligible students to attend the drive.

About the Company: Jegan Research Associates is a client-focused consultative market research company. We primarily work in the pharmaceutical / biotech / medical field, but have extensive expertise in other categories such as CPG and B2B. We have tremendous experience in US as well as Global Markets.

JRA is a fast-paced client-focused consultative market research company with a passion for solving clients' problems. We provide survey programming, data analysis, and reporting services to full-service market research companies in Pharmaceutical space and are growing at a rapid rate. We are located in Chennai, Tirunelveli, and Hyderabad. For more details, please refer the website: www.jra-analytics.com
