VISION

To promote societal empowerment and become an institution of excellence in the field of engineering education and research.

MISSION

- To develop the students into outstanding professionals through innovative Teaching-Learning process
- To uphold research through long term Academia-Industry interaction
- To inculcate ethical standards and moral values

PREAMBLE

The academic calendar is prepared well before the commencement of the academic year to plan, execute, and monitor the various activities pertaining to academics (Instructional Hours, Continuous Assessment and Examination Schedule), meetings of various statutory and non-statutory functional bodies for smooth functioning of institutional activities and eventually capturing all extra- and co- curricular activities. In addition, the activities of professional student body chapters are also captured along the the list of activities pertaining to faculty capacity building.
