## Academic course files, Registers of current semester, Student Attainment evaluation (Last Semester) and Department files

**15th March 2019 and 16th March 2019**

'Internal Quality Assurance Cell' audit was conducted in every semester in NSRIT since 2018. With reference to the circular from IQAC Coordinator on 12th March 2019.

The main objective of the IQAC audit is to be a part of the institution system & work towards realisation of the goals of quality enhancement & sustenance. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of institutions.

**Sub**: Review report on admitted students potentiality– 2018-19

Anent the above, our department is submitting and developing the students potentiality in two parts, Part A and Part B :

**Part A**: Identifying admitted students' potentiality – 2018-19

**Part B**: Steps to improve students potentiality -2018-19

## Part A

## Identifying admitted students' potentiality – 2018-19

1. Academics
    a) Through EAMCET results
    b) Through marks obtained in inter and xth
    c) Through results obtained in the campus (1st sem and 2nd sem)
    d) Merit or appreciations certificates obtained (if any)
    e) Participations or achievements in debates or elocutions (if any)
    f) Any kind of writings or publications (if any) in magazines or newspapers during school or college

2. Extra-Curricular and other activities

    c) Innovations or inventions if any
    d) Social interactions if any
    e) Participations or achievements in inter/intra school / collegiate events

**Note**: All the above can be obtained in from the admission application itself.

**Apart from the above,**

1. We can conduct online test to assess mental, logical and reasoning ability of the student (through trusted open source)
2. Organize institute level event in the campus for the students to showcase their talent and skills during freshmen period.

## Part B

## Steps to improve students potentiality -2018-19

Students' potential can be enhanced by organizing and hosting

1. Entrepreneurial activities and drives in the campus
2. Project expos
3. Initiatives like center for entrepreneurship and technology to give students a boost to form their own business
4. Emphasis on inter-disciplinary study
5. Partnerships and MOUs with some of prestigious tech companies
6. Social application of technology
7. Workshops, seminars, conferences and guest lectures on various fields
8. Value added and add-on courses
9. Imparting quality education with employment, networking and marketability skills
10. Advancements should be made such that engineering students work on innovation where government agencies, business and academic research collaborate side-by-side. A real working model of contemporary engineering practice
11. Sports and cultural activities
12. Public awareness camps
13. Organizing inter/intra collage events
14. Internships and problems analysis
15. NSS and NCC activities in the campus
16. Industrial visits and industrial tours
17. Student faculty interaction groups
18. Earn while you learn and learn while you earn programmes
19. Fellow-schools, teacher partnerships working with parents and community
20. Project oriented courses
21. Free licensed software
22. Smart interactive boards
23. Commitment to community activities
24. Activities and events to overcome obstacles
